## REPORT: GOD HEALED MANY WOMEN PRISONERS!

**Note:** A few weeks ago, Redeeming Love Prison Ministry conducted our **first healing service** at Mable Bassett Correctional Center in McLoud, OK! (MBCC.) God had put it on my heart a while back that He wanted to use us in this way. There were seven of us who went. Brenda Toms, an RLPM ambassador who does praise and worship music at our services, had recently produced her second music CD with healing scripture songs she had composed. (See photo.) I taught God's Word concerning healing between her anointed songs. God's presence was very strong.

We had sent flyers down a week before to let the prisoners on the medical side of the prison yard know about the healing service, as it was their turn to attend our service. We encouraged them to come and believe and receive God's healing—

*physically, mentally, emotionally, and deliverance from addictions. We had 67 ladies attend the service.*

*I first talked about the great love of God, leading to invitations. There were 4 who received salvation, 13 made Jesus their LORD through rededication, and 24 received the infilling of the Holy Spirit, GLORY TO GOD! The rest were all believers who came with many needs. We give God much praise and ALL the glory for everything He did!*

*Here are several praise reports from some of our ambassadors who ministered healing there that evening:*

**“The Healing Service at MBCC was amazing! Brenda’s anointed music and Sharla’s great teaching of the Word on the subject of divine healing inspired the inmates to come up later to the front of the chapel for healing ministry. They went to our Ambassadors who were waiting to minister to them.**

**“The ladies I ministered to had long-term conditions that could not be**

immediately checked, like low blood pressure, heart disease, and diabetes. But the atmosphere was charged with the healing anointing, and I believed with them for healing in their bodies. And I continue to add my faith with theirs, that their conditions were healed by the power of God, and they are recovering daily!

Admin. Assistant,  
Board Member

“It is ALWAYS God’s will to heal, and He delights in answering our prayers that are prayed in agreement with His Word!” (1 John 5:14–15.)

“A young lady named *Crystal* stood in front of me for healing. I reminded her how much God loves her and that Jesus paid for her healing and deliverance at the cross. I asked her what she needed healing or deliverance for. She then named these addictions: drugs, alcohol, sex, gambling, and others. I asked if she believed God could set her free from these. She said *YES, I know He can*. As I laid my hands on her, I saw demons in the spirit realm that needed to be cast out. As I prayed in the Spirit, I saw them leave!

Ina Dilldine  
RLPM Ambassador

“It got a little loud, and the (denominational) chaplain came in, but did not interfere. Crystal’s total countenance was completely changed. She later came up and testified that she was completely delivered! I encouraged her to stay close to the Lord in prayer and in the Word. Glory to God!

“Sharla taught briefly on unforgiveness as a hindrance to receiving healing and led those who had that issue in a prayer to forgive others. Then another lady came up to me to be set free from a hard heart. She came back up later with a big smile and testified that her hard heart was now softened, and she wanted to help others in this situation receive what she had received!”

\*\*\*\*\*

“One lady came up for healing who had constant tingling in her fingers. She told me that the minute she got in line for ministry, the tingling left! She also had back pain, so when I laid hands on her and told the pain to leave and her back to be healed, the pain immediately left. Praise God!

Jerrie Kelly  
RLPM Ambassador

“Another lady said she had been believing all day for God to heal her of diabetes. After I ministered to her, she had a big smile on her face and said she absolutely believed she was healed. She later came up and testified that she had felt a burning sensation where her pancreas was located. She said that she believed it was *coming alive!*” (She will need to have it verified with medical staff.) Thank You, Lord!”

\*\*\*\*\*

“A middle-aged lady came up to me for healing. She said that she’d had migraine headaches for many years. I asked her if she had one now. She said, *Yes, I sure do!* and told me that she believed God would heal her. I spoke to the pain to leave her head in Jesus’ name! I laid hands on her and commanded healing to come to her head. I then asked her how her head felt. She said, *Better, but I still have some pain.* I again spoke healing to her in Jesus’ name. She said with a smile, *Now it is completely gone!* Glory to Jesus!”

“Several ladies came to the front when I called for those who had a broken heart or depression (hopelessness). I had taught on this kind of healing. There were several young women (most probably with long prison sentences) who were on antidepressant prescriptions, who were radically changed by God’s mighty power! Their faces became lit up, and they had many tears of joy and gladness! Praise Jesus!”

RLPM Director

**Note:** *We plan to continue to conduct healing services in more of the prisons where we minister! It gave us great joy to minister healing, as a part of our divine assignment. THANKS FOR YOUR PRAYERS!*

## HEART TO HEART

*by Sharla Yoder*

It gave me such joy to report to you what our great God did in healing many ladies at MBCC prison! We believe that this is only the beginning of more and greater healings, signs, wonders, and miracles, as we go from glory to glory as Ambassadors of our Lord Jesus Christ! Let’s agree that the very best is yet to come!

I also believe that my heart is getting stronger, and I am getting healthier every day as I approach my 70th birthday on June 4. I am not thinking of retiring anytime soon, as I believe God has much more for me to do in Redeeming Love Prison Ministry! After nearly 26 years, I feel I have only begun to do all that is in my heart. ☺

Currently we’re excited to be having some more new ambassadors coming on board with us, and we wholeheartedly welcome them! THANK YOU so very much for your prayers and financial support of our ministry together. We deeply appreciate you, need you, love you, and pray for you!

We look forward to hearing from you soon! ☺

Your faithful support is very important during the summer months!

Love and Shalom,

Sharla Yoder, Founder/Director
